From (Name) Lieut-Col J.P.Cameron C.I.E., I.M.S.,
(Designation) Inspector-General of Prisons.

To The Secretary to the Government of Madras,
Law (General) Department.

Sir.

I have the honour to forward herewith copies of the marginally noted correspondence, together with an extract from the recent Inspection Memorandum of the Central Jail, Bellary, and to request that early orders of Government may be passed to dismantle the old dispensary and the outpatient room adjoining the new condemned cells in the Central Jail, Bellary with a view to carry out the -- suggestions made in the Inspection notes.

I have the honour to be,
Sir,
Your most obedient servant.

Lieut-Col I.M.S.,
Inspector-General of Prisons.

Letter from the Superintendent, Central Jail, Bellary No.G.951, dated 15-6-1925
This office No. 6191, dated 23-6-1925 to the Superintending Engineer, Madras Circle.

Copy of letter No.G.951, dated the 15th June 1925 from the Superintendent, Central Jail, Bellary.

I have the honour to state that on consulting the Public works Department, I am informed by them that before any building can be demolished, the sanction of Government must first be obtained, and I am therefore to request that you will kindly obtain the necessary sanction at a very early date. The reasons for doing so must also be submitted to Government.

The building proposed to be demolished (by jail labour) is the present dispensary, the materials of which will be utilised for building an Administration block for the hospital.

The reasons for demolishing the present building are:-

1. It abuts on the site of the eight condemned cells now nearing completion.
2. As it has been proposed to shift the hospital to the western part of the jail consequent on the closing down of the Tuberculosis Annexe here the building will have to be moved in any case
3. The building is situated within the walls of the jail and cannot be utilised for any other public purpose.

Copy of this office letter No. 6191, dated 23rd June 1925 to the Superintending Engineer, Madras, Circle.

I have the honour to forward herewith a copy of letter No. 951,G, dated the 15th June 1925, from the Superintendent, Central Jail, Bellary and to request that the sanction of Government may be obtained for the demolition of the dispensary referred to therein.

Extract from the Inspection Memorandum of the Central Jail, Bellary dated the 30th June 1925 No. 6384.

The old dispensary and outpatient room adjoining the new condemned cells block will require to be dismantled at once and the materials salved for the new hospital buildings already suggested. As this building is now not used and spoils both the entrance quadrangle and the new condemned cells it is advisable for it to be dismantled without further delay. The P.W.D. authorities should

be addressed in the matter and permission obtained for the dismantling process to begin.
